

Find stronger foothold for your exposure with Expolinc Panel Base

To succeed with a campaign crowded by others, you need a firm footing. Uphold your message in our latest innovation, a more solid base that withstands competition.

Thanks to the great freedom of choice of materials, the add-on Magnet Frame, and several widths and heights, you can combine the system to your exact specifications. Choose a large base or two small ones, with or without a frame, or custom contour cut your graphics - there's finally a display system for rigid panels without compromises.
