OCTANORM 

This is the complete presentation, com

As the system is designed to work with the patented OCTANORM® lock, you will not have any problem to integrate literature— or bag holders, shelves or vario MMP's, etc.

Set-up: Expand, snap, hook and hang...

...all done in a couple of minutes.

Combining portability, design and quality.

We supply accessories with function and design, as well as fitted cases to transport and secure your presentation.
